Farm Bureau’s YF&R Program

The Farm Bureau Young Farmer & Rancher (YF&R) program includes both men and women between the ages of 18-35. The objective of the YF&R program is to provide leadership in building a more effective Farm Bureau to preserve our individual freedoms and expand our opportunities in agriculture.

The YF&R program is a committee centered, fully integrated part of Farm Bureau at the county, state and national level. The program offers opportunities in: leadership development, legislative awareness, educational conferences, networking with other farmers and ranchers around the world, competitive events and involvement in Farm Bureau.
